

LAKE OF THE WOODS OF JACARANDA
HOMEOWNER'S ASSOCIATION

May 5, 2006

Dear Homeowner:

The purpose of this letter is to notify you that in accordance with South West Florida Water Management District, lot owners, are not permitted to remove any native vegetation abutting your property within the boundaries of the detention ponds. Specific Condition # 4 of the General Construction Permit No. 409148.02 states in part " It is the lot owner's responsibility not to remove any native vegetation that becomes established within the wet detention ponds abutting their property. Removal includes dredging (raking), the application of herbicide or algacides , introduction of grass carp, and cutting.

Please be aware that the South West Water Management District can impose fines and require re-establishment of any area they determine a lot owner has violated.

Respectfully:

Board of Directors
