

Irma Debris Recovery Update from Sarasota County:

- [Sarasota County's landfill](#) will be open this Saturday, Oct. 7 from 8 a.m. to 2 p.m. for all customers and from 2-5 p.m. for residential vegetative storm debris only. The landfill will be closed Sunday. Tipping fees for residential vegetative storm debris are waived through Saturday.
- Waste Management trucks for garbage and recycling are back to normal schedule, but the yard waste routes continue to be delayed by up to two days.
- Waste Management trucks continue to collect properly prepared yard waste meeting the normal pickup standard of 4' or less in length, 40 pounds or less in weight and bagged, containerized, bundled, or tied, from residences in the unincorporated areas of the county.
- If you also have vegetative storm debris, please make sure it is kept completely separated from the regular yard waste and garbage. Only

vegetative storm debris will be picked up at this time. Please do not place construction debris at the curb or road.

- Sarasota County has developed an [interactive tool](#) to show residents the collection schedule for Hurricane Irma debris.

Cancelations

HOLIDAY DINNER DANCE: It is with sincere regret that the Lake of the Woods of Jacaranda (LOWofJ) will not offer a Holiday Dinner Dance for 2017. We discovered that a Florida Law does not allow HOA's to contribute to any community activity that is deemed social. That includes the Volunteers' Luncheon as well as the Holiday Dinner Dance. On a bright note, we, as a community, can hold a fundraiser and earmark the money for a specific event.

LECTURE ON COLOR YOUR WORLD: Due to the clubhouse closing by the Fire Department after the fire board was hit and destroyed by lightening, the lecture scheduled for October 19th by Barbara O'Brien will need to be rescheduled. We will communicate the new date once we have one. Thank you for understanding.
